Travel Management Services

At the intersection of travel and education, Be HUEmane focuses on educating, advancing, and empowering people of every HUE.

Be HUEmane provides travel management services for corporate clients, organizations, government-related travel where eligible, event planners, destination wedding coordinators, and leisure travelers. Our **HUEmane approach** combines strategic sourcing, hands-on coordination, and proactive problem-solving to manage complex itineraries, group movement, and duty-of-care-minded planning with discipline and precision. We have successfully managed travel across 25+ countries and six continents for groups of up to 60+ travelers.

We source competitive rates, manage schedule changes, and provide responsive traveler support before and during travel to keep trips organized and on schedule. Our team partners with locally owned hotels, transport operators, and guides to create reliable experiences while supporting the communities where we operate. We anticipate issues early and work quickly to resolve disruptions and escalate them to suppliers.

CORE COMPETENCIES

Strategic Group Sourcing | Traveler Support & Issue Escalation | Duty-of-Care-Minded Planning | Specialized Group & Event Management | Technology-Enabled Service Delivery

DIFFERENTIATORS

Consulting, Agility & Stability

We serve as a strategic travel partner, providing advisory support in change management, cost control, and sustainability while tailoring each engagement to client objectives, timelines, and traveler needs. This approach supports high-touch corporate, organizational, and event travel, and government-related travel where eligible.

Local Partnership Model

Our HUEmane approach prioritizes locally owned hotels, transport providers, and tour guides to deliver authentic experiences and direct spend into local communities.

Proven Global Reach

We have managed travel in 25+ countries across six continents, serving more than 300 travelers from 2023 to present and completing 60+ trips during that period, both international and domestic. This breadth of experience supports complex, multi-destination itineraries and fast-moving logistics requirements.

Owner-Led, Hands-On Service

Owner Farrin Stanton personally leads each engagement, monitoring details, communicating quickly, and delivering real-time itinerary updates using tools such as WeTravel and Travefy. This supports continuity, responsiveness, and traveler confidence throughout each engagement.

PAST PERFORMANCE

Taylor Friends & Family | Exploring Kenya

Managed a full-service group trip to Kenya, including logistics, accommodations, and on-the-ground coordination. In partnership with the Mathare community in Nairobi, Kenya, we delivered school supplies for 40+ students and funded a full week of breakfast.

The Milestone Celebrant | Belize Birthday Takeover

Coordinated a milestone birthday group trip to Belize, partnering with five locally owned businesses to provide ground transportation, private cultural tours, and chef-led culinary experiences. Guests traveled from nine U.S. states, and all arrivals, departures, and connections were managed seamlessly.

Hall Destination Wedding | Cancun Wedding

Executed a destination wedding in Cancun for 30+ guests traveling from four U.S. states. Scope included air travel coordination, full wedding logistics, and officiant services, with synchronized arrival schedules and ceremony flow.
